

## PROGRAMS

### Snow Plow Sam (ages: 3-5)

This program offers group instruction for the very young child to get used to the ice. It is appropriate for both figure skaters and hockey players. Lesson and ice time for this level is 30 minutes.

### Children (ages: 5-14)

Groups are divided by skill level which will take students from basic forward and backward skating through fundamental jumps and spins. They will be on the ice for 1 hour with 20 minutes of group lesson time and 40 minutes of practice time. Basic 4 level and above may have 30 minutes of lesson time depending on time availability.

### Adult Classes (ages 15 - ?)

Adults may participate in group lessons. All adults are encouraged to join us for general sessions and private lessons are available. We also offer adult ice time with the Rusty Blades just for fun. Ice time is 1 hour with 20 to 30 minutes of lesson time depending on time availability.

### Team Classes

This class is designed as an introduction to synchronized skating. You must be in Basic 4 or higher to participate. This class needs to be taken in addition to the basic skills classes. You are now able to skate for two hours or two times a week while practicing your synchronized skating skills.

### Hockey (ages 5-14)

This program offers instruction for the aspiring hockey player. Skaters will be taught the basic fundamentals of skating with the attention focused on hockey skating skills. Pucks and sticks are not allowed on the ice. They will be on the ice for 1 hour with 20 minutes of lesson time and 40 minutes of practice time.

### Learn To Play Hockey Program (Atoms)

Lakeland Arena also offers a program that is designed to prepare children to play the game of hockey. Sticks and pucks will be used in this program. Please contact the Arena at: 248 666-1911 to inquire about this program, or pick up a brochure located in the lobby for more information.
